Dear «ContactFirstName»:

If You Are Still Seeing A Doctor – You need an Attorney*

If you already have hired a lawyer for this matter, please disregard this message. Doctors don't guarantee results or your future, and we shouldn't expect them too. Only YOU can protect yourself and your future.

We do not accept dozens of cases – we accept a few and do the right thing for our clients. We hope you will be one of them. Call us.

Sincerely,

Phillip Miller, attorney and author
