

Attention, Adwords Bootcamp Attendee: Limited Time Offer –
Save \$500 On Rainmaker-Alchemist Summit

This Offer Is So Good I'm Giving It To You On A Silver Platter.

Dear Anastasia,

You might be wondering why I am sending you a silver platter in the mail. There are two reasons.

First: I wanted to make sure you didn't miss out on this offer.

Second: I'm giving you \$500 in Perry Pesos To help you become an in-demand Online Rainmaker.

The enclosed letter will explain everything in painstaking detail, but let me just give you the key points.

On September 21-23, 2012 in Chicago, IL I'm assembling a group of highly paid and highly sought-after Online Rainmakers. They're going to show a small group of 150 attendees how to create steady income, growing others' businesses for them.

The skills you're developing in my AdWords Bootcamp are skills you can use to help *others* do the same and earn money for yourself in the process.

The letter explains it all, but there are a few things you need to know:

- 1. This seminar is only being delivered LIVE. I will NOT be offering a live stream for this event.**
2. Any audio or video offered of the event will be highlights only. I will not resell the entire event.
- 3. Because you purchased my AdWords BootCamp, I am giving you a 20% discount (A \$500 savings) off the event.**
4. This offer expires on Friday August 24, 2012 at 5 PM Central Time.

Read the letter, and take me up on the offer.

See you in Chicago,

Perry Marshall
