

I'm worried about you...

Dear Name,

Yes, I really am worried about you. Judy (our office manager) was checking clients this tax season and she found that we haven't heard from you yet. Since we haven't heard from you yet I wanted to be sure you knew that Congress has passed some very confusing new tax laws which go into effect THIS tax season! And this time they've changed everything around; and Congress, and the IRS, have made filing an accurate tax return almost impossible for regular, hard-working taxpayers like you!

But that's not the worst part, especially for someone NOT using a CPA!

New, complicated tax laws could stop you from receiving tax refunds from Uncle Sam which are suppose to be yours! But you might remember... At Refunds Now I guarantee you the biggest return allowable by law.

I also want to thank you for trusting us to do your past returns and give you an incentive get your taxes started soon. That's why; when you come in before February 28 to get started on your taxes you can choose your free gift.

What is a Worry Doll?

Worry dolls are traditionally made in Guatemala. A person (usually a child) who cannot sleep due to worrying can express their worries to the doll and place it under their pillow before going to sleep.

According to folklore, the doll is thought to worry in the person's place, thereby permitting the person to sleep peacefully. The person will wake up without their worries, because which have been taken away by the dolls during the night.

Parents may remove the doll during the night, reinforcing the child's belief that the worry is gone. Some parents involve the child in making the dolls to further increase the psychological benefits of
